1. **OnPremise Definitions**

    1.1. **Computer:** means a virtual or physical device that accepts information in digital or similar form and manipulates it for a specific result based on a sequence of instructions, consistent with the configuration recommendations in the Documentation, including without limitation desktop computers, laptops, tablets, mobile devices, telecommunication devices, Internet-connected devices, and hardware products capable of operating a wide variety of productivity, entertainment, or other software applications.

    1.2. **Development Software:** means OnPremise Software licensed for use in a non-production technical environment solely for internal development and testing.

    1.3. **Disaster Recovery Environment:** means Customer's technical environment designed solely to allow Customer to respond to an interruption in service due to an event beyond Customer's control that creates an inability on Customer's part to provide critical business functions for a material period of time.

    1.4. **Evaluation Software:** means OnPremise Software licensed for internal evaluation purposes in a non-production environment.

    1.5. **Internal Network:** means a private, proprietary network resource accessible only by employees and authorized individual contractors (i.e., temporary employees) of Customer. Internal Network does not include portions of the Internet or any other network community open to the public, such as membership or subscription driven groups, associations, and similar organizations.

2. **OnPremise Software License and Restrictions.**

    2.1. **License Grant.** Subject to the terms of this Agreement, Adobe grants to Customer, during the License Term, a non-exclusive, non-transferable license to install and use the OnPremise Software on Computer(s) for the platforms, configurations, and quantities set forth in the Sales Order and solely for Customer's internal business purposes , in accordance with any applicable Documentation, License Metrics and the Sales Order. Upon the expiration of the License Term, some or all of the OnPremise Software may cease to operate without prior notice. Upon expiration of the License Term or termination of the license, Customer shall cease use of the OnPremise Software, uninstall all copies of the OnPremise Software from all Computers on which it resides, and destroy or return to Adobe any media containing the OnPremise Software, as well as any related material. This OnPremise Software license grant does not cover software components, modules or other software that may be included in Adobe's electronic delivery of the OnPremise Software that are not identified and purchased by Customer in the Sales Order.

    2.2. **Archival and Disaster Recovery.** Customer may make and install a reasonable number of copies of the OnPremise Software for archival purposes and use such copies solely in the event that the primary copy has failed or is destroyed. Customer may also install copies of the OnPremise Software in a Disaster Recovery Environment, on a cold backup basis, for use solely in disaster recovery and not for production, development, evaluation or testing purposes other than to ensure that the Software is capable of replacing the primary usage of the Software in case of a disaster.

    2.3. **No Unbundling.** The OnPremise Software may include various applications and components, may allow access to content and various services that are hosted on websites maintained by Adobe or its Affiliates, may support multiple platforms and languages, and may be provided to Customer on multiple media or in multiple copies. Nonetheless, the OnPremise Software is designed and provided to Customer as a single product to be used as a single product as permitted herein. Customer may not unbundle the component parts of the Software for use on multiple Computers.

    2.4. **Prohibited Use.** Except as expressly authorized under this Agreement, Customer is, as a condition of the license, prohibited from: (i) using the OnPremise Software on behalf of third parties; (ii) renting, leasing, lending or granting other rights in the OnPremise Software including rights on a membership or subscription basis; and (iii) providing use of the OnPremise Software in a computer service business, third party outsourcing facility or service, service bureau arrangement, time sharing basis, or as part of a hosted service.

3.   **Update Requirements.** If the OnPremise Software is an upgrade or update to a previous version of the OnPremise Software, Customer must possess a valid license to such previous version in order to use such upgrade or update. All upgrades and updates are provided to Customer subject to the terms of this Agreement on a license exchange basis. Customer agrees that by using an upgrade or update Customer voluntarily terminates Customer's right to use any previous version of the OnPremise Software. As an exception, Customer may maintain installations of previous versions of the OnPremise Software on Customer's Computers for a reasonable period of time (but not exceeding one hundred eighty (180) days) after Customer obtains the upgrade or update to assist Customer in the transition to the upgrade or update, provided that Customer's right to such simultaneous installations does not constitute an increase in the number of copies, licensed amounts or scope of use granted to Customer hereunder.

4.   **OnPremise Software Limited Warranty; Remedies**

  4.1.   **Warranty.** Adobe warrants to Customer that the OnPremise Software will perform substantially in accordance with the Documentation for the ninety (90) day period following initial delivery of the OnPremise Software. This limited warranty only applies to OnPremise Software that is comprised of Indemnified Technology. All warranty claims must be made to Adobe within such ninety (90) day period. If the OnPremise Software does not perform substantially in accordance with the Documentation, the entire liability of Adobe and its Affiliates and Customer's exclusive remedy will be limited to either, at Adobe's option, replacement of the OnPremise Software or refund of (i) in the case of OnPremise Software licensed for a perpetual License Term, the Fees Customer paid for the OnPremise Software plus corresponding prepaid but unused maintenance and support Fees, or (ii) in the case of OnPremise Software licensed for a limited License Term, any prepaid, unused Fees.

  4.2.   **Sample Application Code.** Customer may modify the source code form of those portions of the OnPremise Software programs that are expressly identified as sample code, sample application code, code snippets, ActionScript class files, or sample components (each, "Sample Application Code") in the accompanying Documentation solely for the purposes of designing, developing, and testing websites and applications developed using Adobe software; provided, however, Customer is permitted to copy and distribute the Sample Application Code (modified or unmodified) only if all of the following conditions are met: (a) Customer distributes only the compiled object code versions of the Sample Application Code with its application; (b) Customer does not include or use the Sample Application Code in connection with any product or application designed for website development; and (c) Customer does not use the Adobe name, logos, icons, or other Adobe trademarks to market its application. Customer agrees to indemnify, hold harmless, and defend Adobe from and against any loss, damage, claims, or lawsuits, including attorney's fees, that arise or result from the use or distribution of its application.
