

PSLT – Data Distiller (2022v1)

1. **Customer Responsibilities & Data Retention.** Customer’s entitlements in Data Distiller are dependent on Customer’s current and continued licensing of Customer Journey Analytics, Adobe Journey Optimizer, and/or Real-Time Customer Data Platform, subject to (a) the Data Distiller Product Description, and (b) the Customer Journey Analytics, Adobe Journey Optimizer, and/or Real-Time Customer Data Platform PSLT terms for “Customer Responsibilities” and “Data Retention,” which also apply to Data Distiller. Data Retention is a shared feature, meaning the highest limit among Customer’s applicable Adobe Experience Platform-based Products and Services will apply to Customer’s use of Data Distiller.
