

PSLT – Adobe Stock (2020v1)

1. **Ownership.** Except as granted in this PSLT, Adobe and its licensors retain all rights, title and interest in and to the Work. “**Work(s)**” means the Pro Images (as defined below), photographs, illustrations, vectors, videos, 3D assets, template files, and other pictorial or graphic works designated as Adobe Stock assets that Customer may license through the Adobe Stock On-demand Services.
2. **License to the Work.** Subject to the restrictions in the Agreement, Adobe grants Customer and its Affiliates (if any) the following non-exclusive, perpetual, worldwide, non-transferable (except pursuant to section 2.3 (Client Use)), non-sublicensable license types, as specified in the Sales Order:
 - 2.1 **Standard License.** Customer may use, reproduce, archive, modify, and display the Work, in all media, for (A) advertising, marketing, promotional, and decoration purposes; and (B) personal and non-commercial uses (collectively “**Standard License**”). For clarity, Customer may distribute marketing and promotional materials, internal presentations, decorations, and digital productions that display or incorporate the Work.
 - 2.2 **Extended License.** Customer may use, reproduce, archive, modify, and display the Work, in all media, for (A) advertising, marketing, promotional, and decoration purposes; (B) personal and non-commercial uses; and (C) incorporation into merchandise and template files intended for sale or distribution (collectively “**Extended License**”). For clarity, Customer may distribute marketing and promotional materials, internal presentations, decorations, and digital productions that display or incorporate the Work.
 - 2.3 **Client Use.** Customer may use a Work for the benefit of one of its clients, provided that Customer transfers the license to its client via an enforceable written agreement between Customer and its client that includes terms no less restrictive than this Agreement. The license purchased for a Work may only belong to Customer or Customer’s client. Customer must purchase additional licenses for the same Work if Customer intends to use the same Work for itself or the benefit of other clients.
 - 2.4 **Comp License.** Customer may use, reproduce, modify, or display “comp” (*i.e.* composite) or preview versions of a Work solely for previewing how a Work may look in production for up to 180 days from the date of download (“**Comp License**”). Unless a license is purchased, Customer has no other rights to the comp version of the Work. Adobe does not guarantee that a Work that Customer uses under a Comp License will be available for license thereafter.
3. **Restrictions.** The below restrictions are in addition to the restrictions in the General Terms which also apply to a Work:
 - 3.1 **General Restrictions.** Customer must not:
 - (A) use the Work in any way that allows a third party to use, download, extract, or access the Work as a stand-alone file, or in a way that exceeds the scope of this license to the Work;
 - (B) take any action in connection with the Work that infringes the intellectual property or other rights of any person or entity, such as the moral rights of the creator of the Work and the rights of any person who, or any person whose property, appears in the Work;
 - (C) register, or apply to register a trademark, design mark, tradename, logo, or service mark that uses a Work (in whole or in part), or attempt to prevent any third party from using the Work;
 - (D) use the Work in a pornographic, defamatory, or otherwise unlawful manner;
 - (E) use the Work in a way that depicts models or property in connection with a subject that a reasonable person could consider unflattering, immoral, or controversial, taking into account the nature of the Work, examples of which could include, without limitation: ads for tobacco; adult entertainment clubs or similar venues or services; implied or actual endorsements of political parties or other opinion-based movements; or implying mental or physical impairment;
 - (F) use the Work in an editorial manner without the credit line or attribution, placed in a way that is reasonable to the applicable use, in this format: “Contributor Name / stock.adobe.com”, or as designated on the Adobe Stock website for enterprise customers;

- (G) remove, obscure, or alter any proprietary notices associated with the Works, or give any express or implied misrepresentation that you or another third party are the creator or copyright holder of any Work; or
- (H) use the Works or any title, caption information, keywords, or other metadata associated with Works for any (1) machine learning or artificial intelligence purposes; or (2) technologies designed or intended for the identification of natural persons.

3.2 Standard License Restrictions. In addition to the restrictions in section 3.1 (General Restrictions), the following restrictions also apply to any Work under a Standard License:

- (A) Customer may not, in the aggregate, (1) cause or allow any Work to appear on more than 500,000 printed materials (including copies); or (2) incorporate the Work into any live, recorded, or digital production if the audience is expected to exceed 500,000 viewers, except that this restriction on audience size does not apply to Works that are displayed only on websites, social media sites, or mobile applications; and
- (B) Customer may not incorporate the Work into merchandise intended for sale or distribution, including on-demand products, unless (1) the Work has been modified to the extent that the new work, as incorporated into such merchandise, is not substantially similar to the Work and can qualify as an original work of authorship; or (2) the primary value of such merchandise does not lie with the Work itself.

3.3 Editorial Use Restrictions. In addition to the restrictions in section 3.1 (General Restrictions) and 3.2 (Standard License Restrictions), for Works designated as “editorial use only” in the Adobe Stock On-demand Services, (A) Customer may only use those Works (1) in a manner that maintains the editorial context and meaning of the Work; (2) in relation to events or topics that are newsworthy or of general interest to the public; and (3) in compliance with any additional third party licensor restrictions displayed on the Adobe Stock website in the details panel of such Work; (B) Customer must include the accompanying credit line or attribution, placed in a way that is reasonable to the applicable use, in this format: “Contributor Name/stock.adobe.com”, or as designated on the Adobe Stock website; (C) Customer must not (1) use these Works for any commercial (*i.e.*, promotional, advertorial, or merchandising) purpose; or (2) modify these Works, except for minor adjustments for technical quality or slight cropping or resizing; and (D) if Customer wishes to use an editorial Work for a commercial purpose, Customer must first (1) obtain a license directly from the copyright owner of the Work; and (2) secure additional permissions as necessary.

3.4 Attribution. In addition to the obligations in section 3.1(F), if the Work is used in (A) a context where any other stock content provider receives attribution, Customer also must include substantially similar attribution for Adobe Stock; and (B) an audiovisual production, Customer must use commercially reasonable efforts to include attribution for Adobe Stock in accordance with industry standards, and where possible, in the following format: “Contributor Name/stock.adobe.com”.

4. Special Terms for Creative Cloud All Apps – Pro Edition; Creative Cloud Single App Pro; and Adobe Stock Images Pro. The following additional terms apply only to Pro Images that Customer has licensed as part of (A) Creative Cloud All Apps – Pro Edition or Creative Cloud Single App Pro (collectively, “**CC Pro**”); or (B) Adobe Stock Images - Pro Edition (“**Adobe Stock Pro**”). If there is a conflict between this section 4 and any other term of this PSLT or the Agreement, this section 4 controls with respect to Pro Images only.

4.1 Pro Images Definition. “**Pro Images**” means only those photographs, illustrations, and vectors designated as “standard” in the Adobe Stock On-demand Services that Customer may license through the Adobe Stock On-demand Services as part of CC Pro or Adobe Stock Pro. For clarity, “Pro Images” excludes all other asset types, including without limitation, Videos, Templates, 3D assets, Premium, Editorial, and any works or categories in any other media or format that exist now or in the future.

4.2 License and Conditions for Pro Images.

- (A) Pro Images are licensed to Customer under an Extended License. The Extended License is perpetual for the specific uses of the Pro Images that Customer has used prior to the end of the License Term, including the Grace Period as applicable. The License Term will be deemed to continue through any seamless extensions or renewals of the applicable Sales Order;
- (B) Customer may download an unlimited number of Pro Images during the License Term;
- (C) Only Users licensed for CC Pro or Adobe Stock Pro may use the Adobe Stock APIs to access Pro Images; and
- (D) Comp Licenses are not applicable to Pro Images.

4.3 Effect of Termination or Expiration of CC Pro or Adobe Stock Pro. Upon the earlier of the termination or expiration of the License Term or the Agreement, Customer will have a 30-day grace period (“**Grace Period**”) to use any Pro Image downloaded and paid for prior to such expiration or termination in a project or other end use, and any Pro Image so used remains subject to the terms of this PSLT. Any Pro Image downloaded and paid for by Customer prior to expiration or termination, but not used before the end of the Grace Period, is not considered licensed. For clarity, Customer may not download Pro Images during the Grace Period. Other than as permitted during the Grace Period, Customer may not use a Pro Image for the first time, or in a new context (such as on new or different merchandise), after the expiration or termination. Immediately after the Grace Period ends, Customer must delete all unused Pro Images. Customer agrees not to stockpile Pro Images or otherwise abuse access to the Adobe Stock On-demand Services.

5. Third Party Intellectual Property Claims.

5.1 Adobe’s Obligations. For purposes of this PSLT, an “**Infringement Claim**” as defined in the General Terms includes a third-party Claim against Customer during the License Term to the extent the Claim alleges that an Indemnified Work directly infringes the third party’s patent, copyright, trademark, publicity, or privacy rights. “**Indemnified Work**” means a Work that Customer has downloaded and paid for.

5.2 Additional Conditions. Adobe will have no liability for any Infringement Claim that is a result of: (A) any modification of a Work; (B) any combination of a Work with any other material or information; (C) any use of a Work after Adobe has instructed Customer to stop using the Work; (D) Customer’s use of a Work in violation of this Agreement; (E) any use of Works designated as “editorial use only”; or (F) the context in which Customer uses a Work.

6. Other Claims. Customer will defend and pay, at its expense, any third-party Claim against Adobe that is a result of Customer’s breach of the terms of this Agreement.

7. Reservation. If Customer has actual knowledge, or if Customer or Adobe reasonably believes that a Work may be subject to a third-party Claim, then Adobe may instruct Customer to cease all use, reproduction, modification, display, distribution, and possession of that Work, and Customer must promptly comply with Adobe’s instructions, and ensure Customer’s clients, distributors, employees, and employers stop using the Work. Adobe may, at any time, (A) terminate the license to any Work upon notice to Customer in the event of Customer’s breach of this Agreement; (B) discontinue the licensing of any Work; and (C) deny the downloading of any Work.

8. Adobe Stock APIs. Customer’s use of the Adobe Stock APIs are subject to the Adobe terms of use located at <https://www.adobe.com/legal/terms.html> (or successor URL), and <http://www.adobe.com/go/developer-terms> (or successor URL) (collectively, the “**Adobe Stock Developer Terms**”). The Adobe Stock Developer Terms are incorporated herein by this reference and are part of the Agreement. In the event of a conflict between the Agreement and the Adobe Stock Developer Terms, the Adobe Stock Developer Terms will control but only with respect to the Adobe Stock APIs.

9. Product Description. The Stock product description (<https://helpx.adobe.com/legal/product-descriptions/stock.html> or successor URL) (“**Stock Product Description**”) is incorporated herein by reference, and Customer’s use of the Adobe Stock On-demand Services is subject to the terms of the Stock Product Description that are applicable to Customer’s Sales Order.

10. Legal Counsel. Customer will rely on its own legal counsel as to its use of Works.

11. Effect of Termination or Expiration. Upon termination or expiration of the applicable Sales Order or the Agreement: (A) except as otherwise set forth in section 4.3 (Effect of Termination for Pro Images), Customer may continue to use Works (excluding Pro Images) that Customer has downloaded and paid for, subject to its compliance with the Agreement; and (B) Customer’s admin will have access to Works licensed under this Agreement and Customer’s related license history for 30 days in the same format then available within the Adobe Stock On-demand Services.

12. Third-Party Notices. The creators of certain public standards and publicly available code, as well as other third-party licensors, require that certain notices be passed through to the end users of the Adobe Stock On-demand Service. These third-party notices are located at <http://www.adobe.com/go/thirdparty> (or a successor URL). The inclusion of these third-party notices does not limit Adobe’s obligations to the Customer.
